**BLACK JET RADIO** was born with the release of a 45rpm demo recorded by Brian Jenkins and Danisha Jenkins on a winter weekend in December 2010. With the help of Jason Davis and his studio Off the Cuff Sound, tracks "Dead Wine" and "Ugly" brought to mind a **BLONDIE** meets the **NEW YORK DOLLS** comparison with a mix of Cabaret inspired vocals, fuzz guitars, pulsing drums, driving bass, and a touch of Lowry organ.

The band followed up the Dead Wine // Ugly release with full-length debut *Sex Sex Riot* on April 31, 2011 with a release show in their hometown of Fort Wayne, Indiana. Following the release, **BLACK JET RADIO** embarked on a three month summer tour hitting major stops at The Public Assembly (Brooklyn), Hank's Saloon (Brooklyn), Otto's Shrunken Head (Manhattan), The Legendary Dobbs (Philadelphia), The Basement (Nashville), The Hi-Tone (Memphis), Chelsea's (Baton Rouge), The AllWays Lounge (New Orleans), Reggie's (Chicago), The High Noon Saloon (Madison), and The Crack Fox (St. Louis).

**BLACK JET RADIO** reformed on August 1, 2011 when Jason Davis (**STREETLAMPS FOR SPOTLIGHTS, TIMBER!!!**) stepped in on bass guitar, Dave Trevino (**STREETLAMPS FOR SPOTLIGHTS, THE QUEERS, THE BEAUTY'S**) took over on drums, and Jill Ueber was added on keys. The band recorded its first single "Black Jet Radio" in early August and plans to release it in the coming weeks.

### Marketing Points:

- Recorded Entirely on 2" 24 track tape
- Mastered by Collin Jordan (**KANYE WEST, ALKALINE TRIO**)
