**Artist Hometown:** Joshua Tree, CA  
**Key Markets:** Palm Springs, Los Angeles, Long Beach, San Diego, San Francisco, Atlanta, Dallas, New York, Washington D.C. Minneapolis, Madison  
**For Fans of:** **GRAM RABBIT, LITTLE BOOTS, FOSTER THE PEOPLE, FLAMING LIPS, MIA, GOLD FRAPPE, SPACEMEN 3**

**JESIKA VON RABBIT**, the former leader of Joshua Tree's hi-desert trailblazers, **GRAM RABBIT**, is about to release *Dessert Rock*, her second solo album and the follow-up to her 2015 release *Journey Mitchell*, both on Dionysus Records. While *Journey Mitchell* is laden with new wave-influenced synths, keyboard melodic and infectious dance beats, *Dessert Rock* is an avalanche of appetizing amalgams that incorporate hints of calypso, sci-fi, psychedelic, rock, electro and funk. You are going to want seconds after sampling this dessert!

**JESIKA VON RABBIT's** current band line-up includes former Gram Rabbit guitarist and independent producer Ethan Allen, Dionysus Records' Lee Joseph on bass, and drummer, Dan Kashuck. **VON RABBIT** has toured with **EAGLES OF DEATH METAL**, performed at Desert Daze on the bill with **IGGY POP** and **SLEEP**, and has shared stages with a diverse roster of acts including **WANDA JACKSON, CAT POWER, DEATH VALLEY GIRLS**, and **THE CRYSTAL METHOD**. Dubbed "The Queen of the Hi-Desert", **VON RABBIT** has a menu item named after her at the world renown Pappy & Harriet's in Pioneertown, CA - the delicious "Nachos von Rabbit". In spring of 2018, **VON RABBIT** once again won Best Front Woman of the Coachella Valley at the Coachella Valley Weekly Music Awards.

She is drop dead gorgeous and has an absolutely incredible voice. But **VON RABBIT** is more than a pretty chick singer. She is an innovative creator and expressionist as well as one hell of an entertainer... Her show is brilliantly nonsensical; a sonic and visual spectacle that is unlike any other and you cannot take your eyes away. She is an artist that you just have to keep coming back to see because you evolve every time you do. - Coachella Valley Weekly

**MARKETING POINTS:**

- Jesika's second solo LP since the breakup of Gram Rabbit
- Produced by Ethan Allen at Royal Triton Studios, Silver Lake, CA.

### INFORMATION:

**Artist Hometown:** Pittsburgh, PA  
**Key Markets:** Worldwide Metal Community  
**For Fans of:** IRON MAIDEN, HOLY GRAIL, NIGHT DEMON, HIGH SPIRITS AND AMBUSH

Inspired by growing up listening to epic metal legends such as IRON MAIDEN, SAVATAGE, HELLOWEEN, and JUDAS PRIEST, multi-instrumentalist Andrew D'Cagna formed IRONFLAME in late-2016 as an outlet for crafting soaring, melodic heavy/power metal of his own. After the immensely positive response toward IRONFLAME's Divebomb Records debut, *Lightning Strikes the Crown*, motivation for a follow-up surfaced rather quickly. Utilizing the tried-and-true formula of "if it's not broken, don't fix it," the entire process remained largely the same—as fast and improvisational as before.

Rather than release another full-length album, the original concept was to compose a lyrically ambiguous five-song EP nodding to Greco-Roman mythology. The initial tracks paid homage to Nemesis (Goddess of Revenge), Prometheus (God of Fire), Ares (God of War), Theia (Goddess of Shining Light), and Orpheus (God of Music). Lyrics were penned and the ideas were presented to contributing lead guitarist Jim Dofka (PSYCHO SCREAM, LEATHER, DOFKA), who loved the theme, but felt that Andrew should continue writing and flesh out another full-length after all.

Heeding Jim's advice, D'Cagna returned to the studio and decided to shift gears for the remaining compositions, which dwell largely upon the human condition through shared experiences such as temptation, seduction, betrayal, rage, and vengeance. Album closer, "Our Great Defender," is the one exception: an allegorical tribute to the late, great heavy metal icon Ronnie James Dio.

Considering the gamut of emotions contained within this new volume of music, a title was chosen appropriately: *Tales of Splendor and Sorrow*. The resulting 10-song, 52-minute journey should appeal to any fan of quintessential heavy metal—further cementing IRONFLAME's status as champions for classic metal of the highest order along the way!

### MARKETING POINTS:

- Hype video to be serviced to all metal media outlets upon release
- Performed at prestigious German festival, KEEP IT TRUE, in 2018

- Cover art by world renowned artist, Dorian Cleavenger
