A true outburst of unrepentant musical destruction! BLOODY PHOENIX, L.A.'s harbingers of pure, true grindcore return with three sonic blasts of grind-crust. A megaton explosion of ugly politics, blast beats and mayhem.

QUESTION have uprooted hardcore in the last couple of years with their screaming brand of in your face punk. With only two limited 7" releases under their belts they have still managed to command great praise through constant touring and local live gigs. Ripping fast hardcore punk played with insane energy, this band is pretty much an unstoppable barrage of fury and venom.

- BLOODY PHOENIX have produced countless grind/fastcore thrash recordings on 625, RSR and Obscene Productions
- Toured the USA and Europe constantly for two years
- Ex- EXCRUCIATING TERROR
- QUESTION fronted by Ex-DETESTATION vocalist, Sairaa
