For Fans of: **ANTISEEN, DWARVES, MISFITS, ZEKE, TURBONEGRO**

For the first time all of the early out of print singles from **HOOKERS** are compiled onto one heavy bad ass slab of wax entitled *Blasted From The Caskets!*

During the Civil War prostitutes were known as 'Hookers' after an obliging Union General of the same name who supplied his men with the passion to keep fighting the good fight. The same spirit lives on in the modern day **HOOKERS** who have been schooling audiences in hardcore punk technique for so long sometimes even they forget how great they truly are. And like a whore gone to seed, the mighty **HOOKERS** just keep on getting more depraved, more insane and more brutal with their two chord assault. Who says the day of miracles is past?

--BLAG DAHLIA of THE DWARVES

Marketing Points:

- Compiles the out-of-print, widely sought after 7" records originally released between 1997-2001 on labels such as SUB POP RECORDS, GET HIP RECORDS, STEEL CAGE RECORDS, DEVIL DOLL RECORDS, SACK O' SHIT RECORDS, DEVIL DOLL RECORDS and BLACK LUNG RECORDS.
- Contains a unique download code of the entire album.
- Ads/reviews in *MaximumRock'N'Roll*, *Razorcake* as well as numerous other printed zines and blogs.

INFORMATION:

Artist Hometown: Boston, MA

Key Markets: World

For Fans of: **POISON IDEA, BAD BRAINS, BLACK FLAG,
DISCHARGE, OPERATION IVY,
SUBHUMANS**

Round two from this brutal and catchy Boston DIY Hardcore Punk band! Formed at the beginning of 2011, **OPPOSITION RISING** became one of the more popular Boston area bands virtually overnight with their mix of musical genres and catchy hard hitting songwriting. The band is now headlining over bands that have been playing for years— often getting a more rabid crowd response than national acts that have been around for decades. The band released its debut LP entitled *Aftermathematics* in 2012 and it became an instant classic. Soon after they toured the US getting great responses in towns they had never been to before, **OPPOSITION RISING** appeals to fans of the different sub-genres of Hardcore and Punk with its mix of musical influences and energetic live shows. With its extremely catchy anthems, **OPPOSITION RISING** is bound to make fans of any street punk, with enough breakdowns for the Hardcore kids, and enough brutality for the Crust, Grind and Metal scene mixed with some intelligent yet realistic lyrics and a strong DIY ethic. **OPPOSITION RISING** is an anomaly in a sea of division and repetitive sounding bands: Boston has a long tradition of great bands and **OPPOSITION RISING** is no exception!

Marketing Points:

- Touring the US for almost 2 months this summer including a short West Coast tour with supporting **MDC** in early August 2013!
- Members of **TOXIC NARCOTIC** and **MOUTH SEWN SHUT!**
- Recorded by Richard Marr at GALAXY PARK STUDIOS in Boston, MA!
- Mastered by Jeff Lipton at PEERLESS MASTERING!

INFORMATION:

Artist Hometown: Portland, Oregon

Key Markets: Portland, Oregon, Seattle, Wa., eastern seaboard, Los Angeles, Germany, Spain, UK

For Fans of: **NOISEAR, BRUTAL TRUTH, LANDMINE MARATHON, NOISEAR, FLAGITIOUS IDIOSYNCRASY IN THE DILAPIDATION, INSECT WARFARE, THE COMMUNION**

TRANSIENT rose out of the eclectic Northwest grindcore scene in Portland, Oregon in 2008 after two bands (**MASSIVE MEAT SPLIT** and **LANDLORD**) split and merged into one solid grindcore unit to be reckoned with. Combining elements of pure grindcore, death metal and an uncanny ability to create original musical havoc (something lost on most current grindcore bands), **TRANSIENT** started to get worldwide acclaim from constant touring and releasing a mess of vinyl records with bands like **ELITIST** (Relapse Records), **SUPERBAD** (Hellnear Records), **THIS RUNS ON BLOOD** (End Theory Records) and **THE COMMUNION** (Midnight Sea Records). Led by the insane screaming vocals of Krysta Martinez (also in **LANDMINE MARATHON**) and backed by the grinding fury of Jesse Shriebman (Drums), Stefan Thompson (Guitar) and Adam Wilson (Bass), this current line-up has solidified **TRANSIENT** as one of the leaders of modern grindcore in the United States, culminating in the release of this, their first full-length recording. Recorded at Soundhouse Studios in Seattle by Brian Fitzsimons (**WORMWOOD**) and mastered at Earhammer Studios by Greg Wilkerson, and fleshed out with amazingly beautiful artwork by Portland artist Ian Anderson this is definitely a quality firestorm of vicious, undeterred grindcore.

Marketing Points:

- Limited edition of 1000 LP/500 CD
- Full carpet-bombing PR campaign led by Earsplit PR
- Full US/European tours scheduled to support in 2013

INFORMATION:

Artist Hometown: Philadelphia, PA

Key Markets: Eastern Seaboard, Philadelphia, New York,
Chicago, Baltimore, Texas, Mexico

For Fans of: Punk, Metal, Rock, **MELVINS, NEUROSIS, YES,
EMERSON LAKE & PALMER, CRASS,
GOBLIN.**

HULK SMASH is a two-piece band, a very loud two-piece band, and one of Philadelphia's best kept secrets. Using an 8-string bass, organ pedal board, midi controls, homemade electronic instruments, keyboards and drums, visually the duo can look like two separate one-man-bands. Tagged as electro-sludge, electro-punk and prog-doom the group has garnered comparisons to **MELT BANANA, THE MELVINS** and the label Amphetamine Reptile's glory days.

deer++ is **HULK SMASH'S** second full-length effort. It was written as it was recorded in the studio. The first half of the album was written in one 24-hour stretch in the studio and released as the DEER cassette. The second half was written and recorded almost a year later in another 24-hour stretch in the studio and since the theme of the material seemed to fit together so well it was put together as a full record with deer. Then bonus tracks from an earlier recording were added to make deer++.

- CD version includes bonus tracks
- Marketing sticker

Key Markets: Philadelphia, Chicago, CA, Germany, Japan

For Fans of: Hardcore, Punk, Early 80's Hardcore, **DEAD KENNEDYS, NOFX, JFA, YDI, NEGATIVE APPROACH, MUNICIPAL WASTE, PLOW UNITED, SPAZZ and HUSKER DU.**

This is not a new release per se but restock of a previously released **FOD LP! FLAG OF DEMOCRACY (FOD)** formed in 1982, and has been thrashing ever since. They have released seven full-length records, a live record, a handful of EPs and about a million comp tracks. 23 is **FOD's** second full length. Originally released in 1988 on the long defunct Buy Our Records, 23 is seventeen raging thrashing hardcore tracks. This is the band's first recording with Bob on drums, bringing an almost jazzy style to the insane blasts of psychotropic influenced thrash. The artwork from the original release has been replaced with the poster that the band had wanted to use for the cover.

FOD have shared stages and basement floors all over the US and Europe with **DEAD KENNEDYS, CIRCLE JERKS, MINOR THREAT, AGNOSTIC FRONT, SSD, HUSKER DU, TSOL, CORROSION OF CONFORMITY, VOID, ARTICLES OF FAITH, DEAD MILKMEN, BUTTHOLE SURFERS, DECONTROL, PURE HELL, YDI, REDD KROSS, NO MEANS NO, ALICE DONUT, THE MEATMEN, ANTI-NOWHERE LEAGUE, MCRAD, MARGINAL MAN, FREEZE, SLAPSHOT, SNUFF, SUBHUMANS, MDC, THE DICKIES, AGENT ORANGE, J CHURCH, BRUTAL TRUTH, RKL, THE ADOLESCENTS, DAG NASTY, GANG GREEN, VIOLENT CHILDREN** and about a million other bands.

Over the coming year you can expect to see more reissues of the **FLAG OF DEMOCRACY** back catalog along with a new EP, all on SRA Records.
