As the guitarist/vocalist/producer and chief writer, arranger and lyricist of **ANACRUSIS** from 1986-1993, **KENN NARDI** was widely recognized as one of heavy metal's most forward-thinking musical minds. After releasing four albums between 1998 and 1993 with **ANACRUSIS**, **KENN NARDI** went the solo route under the **CRUEL APRIL** moniker in 2006, weaving acoustically-driven material that was free of any genre expectations looming over his head.

On his new album, *Dancing With The Past*, **KENN NARDI** has brought together all of the signature elements of **ANACRUSIS'** sound, and melded them with the more streamlined songwriting approach of **CRUEL APRIL**. The result is a 2-CD collection featuring 28 brand new recordings of songs written as far back as 1994. The collection also features material borne from collaborations with **KENN NARDI's** former **ANACRUSIS** band mates during their 2009-2012 reunion run. Clocking in at over 2 1/2 hours, *Dancing With The Past* keeps true to the avant-garde spirit that made **KENN NARDI's** songwriting and his former band so thrilling while pushing the songwriting and compositional boundaries even further. Quite simply, *Dancing With The Past* promises to be the album **ANACRUSIS** fans have waiting for only full of surprises they never expected.
