**For Fans of:** **ANDREW JACKSON JIHAD, BLACKBIRD RAUM, MISCHIEF BREW, RAMSHACKLE GLORY, WORLD INFERNO FRIENDSHIP SOCIETY, TOM WAITS, ANI DIFRANCO**

"The latest full-length from this grimy folk-punk band just dropped, **ABSINTHE ROSE** keeps the freight train strumming and chugging and adds the extra wallop of Kimbo Rose's powerful vocals. She muscled through smokey verses with smoldering soul on creeping banjo-tinged ballads throughout the record. Patient listeners will find the momentum building toward the latter half of the record, when the band gradually morphs into a full-on punk powerhouse, plugging in gnarled electric guitars and Rose going into full-on metal howler mode calling for swift revolution"

--THE BOSTON GLOBE

"**ABSINTHE ROSE** is a fabulous, honest, emotionally raw, feminist-oriented, folk-punk band whose latest album is a breath of fresh air that combines the rustic sounds of banjos and acoustic guitars with angry vocals that make you sit up and pay attention. This album is by far one of the best I've heard so far this year"

--THE WESTFIELD VOICE

## INFORMATION:

**Artist Hometown:** Bristol, England

**Key Markets:** New York, NY / Chicago, IL / Philadelphia, PA

**For Fans of:** **SUPERCHUNK, LEMONHEADS, SLEATER KINNEY**

Bristol's fuzzy power pop trio, **PERSONAL BEST** are back with their first full length, *Arnos Vale*. Recorded late 2014 in the misty hills of mid-Wales with Gethin Pearson (**THE ENEMY / CHAIN OF FLOWERS**), the album builds on last year's short n' sweet debut, *The Lovin' EP*. If you're already acquainted expect more of the same; a no-frills, chorus-and-riff-heavy power pop record! Influenced heavily by the 1990s US indie rock scene, **PERSONAL BEST** take cues from the likes of **SUPERCHUNK, THE LEMONHEADS & SLEATER KINNEY**, to create a dynamic and hook-filled album. Like all the best pop, **PERSONAL BEST** aren't afraid to sing unashamedly about love; lyrically, *Arnos Vale* focuses on the exhilaration and anxiety of being in love, realizing what you have but being scared to lose it.

"Personal Best sound like an homage to 90s indie rock, with their fuzz-fueled power pop melodies and echoing vocals"

- *Noisey*

"Super start with some smart songwriting on show."

-- *Collective-Zine*
