For Fans of: LIBYAN HIT SQUAD, NOMEANSNO, MINUTEMEN, BLACK FLAG, THE STOOGES

"Shanghai, China. The most populated city on Earth. In this chaotic swirl of sweat and pollution, six ex-pats threw their collective influences together for a steaming bowl of yúchì tang. Building from their first release, 2013's *Full Circle* (Ripping), a split with Flordia's now defunct and sorely missed art-core gods, **LIBYAN HIT SQUAD, ROUND EYE** creates a unified whole out of punk rock, free jazz, doo-wop, country, experimental and traditional Chinese music for a unique sound that could only have come from the Far East. Forget the Sheep, 2015 is the Year of **ROUND EYE**. Be thankful you're here to witness it."

-Chuck Foster, *The Big Takeover*

Key Markets: New York, NY, Philadelphia, PA; Chicago, IL

For Fans of: **HUSKER DU, THE MEN, METZ, THE RAMONES**

Transatlantic noisy punks **PALE ANGELS** are back with their second full length! Follow up to 2013's debut LP *Primal Play* (and with a couple of limited live 7"s released last year), it's an impressive output for a band spread between New Jersey and Swansea, Wales. The new album, *Imaginary People* was again produced with Ben Greenberg (from **THE MEN**) over two days at Vacation Island in New York. The resulting LP is ten songs of loud, pounding catharsis that take their influences - **RAMONES, PIXIES, GUN CLUB, HUSKER DU** etc. - and smash them into tiny unrecognizable pieces. It's an album that feels possessed - from the creepy lethargy of 'Lapin, Lapin' to the dance-inducing 'Wild Vile Flesh' and devastating 'Sinking Shadows'. Split release with Recess Records.

MARKETING POINTS:

INFORMATION:

Artist Hometown: Oakland, CA

Key Markets: Bay Area, Los Angeles, BC Canada

For Fans of: SPAZZ, EARTH CRISIS, DYSTOPIA

Stoner Justice was the debut EP from California smoke kings, **CONNOISSEUR**. Likening themselves to **EARTH CRISIS** "if they smoked weed and listened to **SPAZZ**," the Smokeland, California based trio ravages ears with an upbeat/d-beat barrage of West Bay Power Violence packed with resin coated sludge downs and chronically brutal, comically cheeba-charged vocal onslaughts that consume the listener in a violently stoned, inescapable haze, all captured by Greg Wilkinson at Earhammer Studios (**ANNIHILATION TIME, BRAINOIL**).

Following a solid year of blunt rolling and live perversions, the glassy-eyed ganja squad decided to revisit *Stoner Justice*. Now re-mastered by Dan Randall at Mammoth Sound Mastering (**TOXIC HOLOCAUST**) with an updated, wholly mind-bending cover art collaboration between Skinner (**MASTODON**) and Hal Rotter, *Stoner Justice* redux has been expanded to fourteen weedian skull crushers, including a live set (on the cd and included on the digital download card with vinyl) recorded at the Tankcrimes Takeover of 924 Gilman on 2/13/15 (mixed and mastered by the same team). Those who puff to the gutter crusted sounds of **PLUTOCRACY, SPAZZ, DYSTOPIA**, and of course, **EARTH CRISIS**, pay heed.

MARKETING POINTS:

- CD includes full live set professionally recorded at legendary 924 Gilman
- LP includes download card that also includes live set
- Colored vinyl for stores
- Full scale onslaught PR campaign by Earsplit
- 47 dates US tour to support this summer

For Fans of: **THE KILL, GRINDLINK, AGATHOCLES, UNHOLY GRAVE, NASUM**

SIX BREW BANTHA, along with **ARCHAGATHUS**, have been the leaders of the Western Canadian Grind Campaign for World Domination. They've been touring constantly, releasing killer records constantly, and honing their craft of 'blurring grindcore' to a razor-sharp edge. This second LP is their most refined and matured work to date.

The songs got a little longer, but don't be scared the blurring aspects and chaotic arrangements that made you love them are still the primary aspects of their sound, only now the songs have enough meat on their bones to become memorable and powerful statements in and of themselves. With incredibly tight and precise playing caught with a powerful, hard-hitting production, the record captures an ideal **SIX BREW BANTHA** at an ideal setting.

MARKETING POINTS:

- Second release from band after touring the US and Canada actively the last two years
