BEER CITY SKATEBOARDS AND RECORDS is proud to officially announce June 10th 2016 it will release a brand new EP by D.R.I. titled *But Wait... There's More!*. This EP will be available on 4 different formats. A 7", a hand screened 12", CD and iTunes!

The 7" will be available on several different colors of vinyl (translucent: red, blue, gold, green and clear. White and black. All colors limited to 1000 pressed except black.)

The 12" will be custom, hand screen printed version limited to only 2000 copies pressed. The vinyl is actually screen printed. There are very few screen printed records out there due to the lengthy time and effort it takes! Besides the record looking very cool it will sound even better due to be on 12" and having wider grooves!

D.R.I. is once again ready for punk/hardcore and metal consumption!
