9. MY MEDICINE

INFORMATION:

Artist Hometown: Joshua Tree, CA
Key Markets: Palm Springs, Los Angeles, Long Beach, San Diego, San Francisco, Atlanta, Dallas, New York, Washington D.C. Minneapolis, Madison

For Fans of: **GRAM RABBIT, LITTLE BOOTS, FOSTER THE PEOPLE, FLAMING LIPS, MIA, GOLD FRAPPE, SPACEMEN 3**

JESIKA VON RABBIT, the former leader of Joshua Tree's hi-desert trailblazers, **GRAM RABBIT**, is about to release *Dessert Rock*, her second solo album and the follow-up to her 2015 release *Journey Mitchell*, both on Dionysus Records. While *Journey Mitchell* is laden with new wave-influenced synths, keyboard melodic and infectious dance beats, *Dessert Rock* is an avalanche of appetizing amalgams that incorporate hints of calypso, sci-fi, psychedelic, rock, electro and funk. You are going to want seconds after sampling this dessert!

JESIKA VON RABBIT's current band line-up includes former Gram Rabbit guitarist and independent producer Ethan Allen, Dionysus Records' Lee Joseph on bass, and drummer, Dan Kashuck. **VON RABBIT** has toured with **EAGLES OF DEATH METAL**, performed at Desert Daze on the bill with **IGGY POP** and **SLEEP**, and has shared stages with a diverse roster of acts including **WANDA JACKSON, CAT POWER, DEATH VALLEY GIRLS**, and **THE CRYSTAL METHOD**. Dubbed "The Queen of the Hi-Desert", **VON RABBIT** has a menu item named after her at the world renown Pappy & Harriet's in Pioneertown, CA - the delicious "Nachos von Rabbit". In spring of 2018, **VON RABBIT** once again won Best Front Woman of the Coachella Valley at the Coachella Valley Weekly Music Awards.

She is drop dead gorgeous and has an absolutely incredible voice. But **VON RABBIT** is more than a pretty chick singer. She is an innovative creator and expressionist as well as one hell of an entertainer... Her show is brilliantly nonsensical; a sonic and visual spectacle that is unlike any other and you cannot take your eyes away. She is an artist that you just have to keep coming back to see because you evolve every time you do. - Coachella Valley Weekly

MARKETING POINTS:

- Comes with free digital download code
- Jesika's second solo LP since the breakup of Gram Rabbit
- Produced by Ethan Allen at Royal Triton Studios, Silver Lake, CA.
- Jesika has long been associated with the Hi-Desert Sound

4. Ahr-Skidar
5. Red Sun
6. Elsie Crashed the Party
7. Timing
8. Astronomy
9. Wand
10. July

INFORMATION:

Artist Hometown: Davis, CA

Key Markets: The World

For Fans of: DREAM SYNDICATE, GREEN ON RED, WILCO,
NEIL YOUNG, CAPTAIN BEEFHEART

Hailing from the northern California town of Davis, **THIN WHITE ROPE** was unfathomably pegged as a proponent of the paisley underground movement. The songs the group covered over the course of their ten-year career is far more revealing: **SUICIDE, THE STOOGES, LEE HAZLEWOOD, MARTY ROBBINS, CAN, and ROKY ERICKSON** have all been rendered by the band in the studio and on-stage. That list goes a long way in explaining the mixture of raw, angular riffs, southern twang, and psychedelia. Originally released in 1988, *In The Spanish Cave* was **THIN WHITE ROPE**'s third album, following their critically-acclaimed second long player, *Moonhead*. While for many people *Moonhead* remains the band's masterpiece and most coherently realized album, it's an angry and intense record that takes a few listens to really penetrate and appreciate. In contrast, *In The Spanish Cave* has more light and shade and a much wider musical palette, and while Kyser's worldview remains dark verging on paranoiac, the album is perhaps a more rounded representation of the band's unique talents. Frontier Records has digitally remastered **THIN WHITE ROPE**'s first five records for LP and CD, and is reissuing them on vinyl for the first time in decades.

MARKETING POINTS:

- 180 gram vinyl
- First press on opaque, seafoam colored vinyl
- Digitally remastered
- Free digital download
- Lyrics now included in CD booklet

INFORMATION:

Artist Hometown: Davis, CA
Key Markets: The World
For Fans of: DREAM SYNDICATE, GREEN ON RED, WILCO, NEIL YOUNG, CAPTAIN BEEFHEART

Hailing from the northern California town of Davis, **THIN WHITE ROPE** was unfathomably pegged as a proponent of the paisley underground movement. The songs the group covered over the course of their ten-year career is far more revealing: **SUICIDE, THE STOOGES, LEE HAZLEWOOD, MARTY ROBBINS, CAN, and ROKY ERICKSON** have all been rendered by the band in the studio and on-stage. That list goes a long way in explaining the mixture of raw, angular riffs, southern twang, and psychedelia. Like all **THIN WHITE ROPE** releases, *Sack Full of Silver* is defined by the voice and lyrics of Guy Kyser: the aural equivalent of the flat, parched, endless landscape his characters seem to inhabit. Sobering realizations, like dead ends, await them around every corner. In an environment where failure, desperation, and hopelessness are common currency, adding up one's losses and moving on feels like a great victory. It's clearly no easy task. **THIN WHITE ROPE's** brand of dueling guitar rock has aged more gracefully than the work of virtually all of their contemporaries. *Sack Full of Silver* remains as fine an introduction to Kyser's unique vision as any. Frontier Records has digitally remastered **THIN WHITE ROPE's** first five records for LP and CD, and is reissuing them on vinyl for the first time in decades.

MARKETING POINTS:

- 180 gram vinyl
- First press on opaque grey vinyl
- Digitally remastered
- Free digital download
- Lyrics now included in CD booklet

13. Industry Of Convalescent Death
14. Pulsating Trepidation
15. Idealized Incomprehension
16. Gulf Coast Massacre
17. In The Clutches Of Unrepentant Ignorance

INFORMATION:

Artist Hometown: Houston, Texas
Key Markets: Greater southwest, Los Angeles/West Coast, Europe
For Fans of: Death metal, Grindcore, Power Violence, **NAPALM DEATH**

These Houston monsters of grindcore mayhem refuse to settle for anything other than pure, unleashed grindcore (**NAPALM DEATH/CARCASS**) tinged with a raw death metal punishment of classic **KREATOR**. This new recording devastates with whirlwind, raw guitars and guttural puking vocals by founding member Dave Callier. Brian Fajardo's precise, jaw dropping attack on the drums delivers as always, melting ears and stirring a sense of pure awe at his talent. One of the best in extreme music. This band relies on an absolute dedication and love for the genre. Truly one of the best going, and likely, one of the best ever.

MARKETING POINTS:

- Long US tour in fall to promote this release
- Big time European tour to follow
- Limited edition of 500

ALSO AVAILABLE FROM ILD:

PLF
Devious Persecution And Wholesale Slaughter, LP/CD
