FOR FANS OF: MANIC ROCK AND ROLL

I've known Robert Lopez (EL VEZ) nearly as long as Sympathy has been in existence...2018 marks his 30th year as the cross cultural caped crusader...Sympathy released his first record and we've continued a close relationship...This new one will be my 13th release with him not counting the LITTLE RICHARDS 7" and LP with THE SCHIZOPHONICS joining him as well as a 7" in which he teamed up with Blackbird...

2018 is also the 30th anniversary of Sympathy and it's fitting we celebrate together with this amazing single, a song Robert has written for one of his true loves, *Liz Renay* and once again THE SCHIZOPHONICS have been enlisted to shake some serious action...The b-side is a karaoke version of "Trouble" and we've thoughtfully included the (new) lyrics so you can sing along in the privacy of your own home...

- EL VEZ'S 30th Anniversary/Sympathy's 30th anniversary
- Pink Vinyl
