INFORMATION:

ARTIST HOMETOWN: Tacoma WA and Richmond VA

KEY MARKETS: WA, VA, FL, TX

FOR FANS OF: BASTARD NOISE, SISSY SPACEK, SORE THROAT, SEVEN MINUTES OF NASEA

Both **SUPPRESSION** and **SIDETRACKED** have worked hard to maintain strong footholds in the extreme fast hardcore arena but on this release, both jump headfirst into extreme fast noisecore. As soon as a song picks of steam then it's over and you are on to the next one until you're twenty songs deep on a side and it is almost over. If you like your punk completely blurred out like **SORE THROAT**, you'll need this one. If you like either band this is a worthy and slightly odder addition to their catalog and worth picking up.

MARKETING POINTS:

- 48 songs
- Both bands playing fast noisecore
- Limited edition of 500 copies

ALSO AVAILABLE FROM ILD:
