FUCK ON THE BEACH / ENDLESS SWARM

Split, 7"

STREET DATE: NOVEMBER 13, 2020

INFORMATION:

ARTIST HOMETOWN: Tokyo, Japan & Edinburgh, UK

KEY MARKETS: CA, TX, Japan, UK

FOR FANS OF: SPAZZ, INFEST, NO COMMENT

Japan's undisputed kings of powerviolence are back with a super exciting split with UK's hardworking powerviolence outfit. **FUCK ON THE BEACH** have been popping up every handful of years since the late 90's to provide whirlwind powerviolence as they only know how to. **ENDLESS SWARM** knew they had to rise to the occasion for a split of this caliber and really laid out a mind-blowing side of a record with time changes and breakneck speed. Both bands were booked on Zesta Grande Fest 2020 which was canceled due to safety concerns during the pandemic but the split really glows past two bands being lined up to be in the same place. For fans of really fast, blasty, and down right guttural music.
