DEATH TOLL 80K

Vile Genesis LP

Street Date: October 8, 2021

ARTIST HOMETOWN: Lappeenranta, Finland
KEY MARKETS: Finland, USA, Czech Republic
FOR FANS OF: NASUM, INSECT WARFARE, THE KILL, P.L.F., NAPALM DEATH, KREATOR

DEATH TOLL 80K is back for their massive junior full length. Formed in 2005, and hailing from Finland, the band has laid down splits with a choice set of bands ranging from **ARCHAGATHUS** to **SETE STAR SEPT** and have released two devastating full lengths up til now with *The Future Is Yours* being the cherry on top. The album is a one-sided LP but don't let the length fool you, the album starts out fully charging out of the gate with breakneck blastbeats and full force non-stop grindcore attacks. **DT80K** blast away and when you feel like you can't stand it anymore, they lay in some groove to really seal the deal. Eleven minutes of aural fury. The b-side features a meticulously etched band logo and the LP will come with a spray paint stencil of the cover art so that you can let everyone know whose future it is! In these rough times, we needed the straight-forward blasts and guttural growls of **DT80K** to imagine the stench of a nasty dirty non-stop mosh pit that your living room will become after each ripping track of this filthy slab of vinyl.

MARKETING POINTS:

- Etched B-side
- Stencil included
- Third release from this band, very establish

FOR FANS OF: NASUM, INSECT WARFARE, THE KILL, P.L.F., NAPALM DEATH, KREATOR

Space is a cold and scary place. One wrong move and you float aimlessly to your doom. What you forgot is that you had created machines to help you with labor in space and they have turned on you. Queue **CRYPTIC VOID** with their four installment of their death-in-space narrative while laying down the most on-point blastbeats and grooving guitar riffs to try to overtake the atrocities in the big darkness. Classic old school grindcore will usher in the new humanity as we leave the desolate earth for new possibilities. Featuring ex-members of **INSECT WARFARE, PLF, WARMMASTER,** and **NIBIRU,** I know this is the group to usher in the new flesh.
