Then to top it off we have 7 tracks that were unreleased and would have been included on the bands third album if they had lasted that long. Including one were a member of the band was kicked out! All of the tracks are restored and remastered for maximum impact and ear bleeding pleasure. Also included are extensive liners notes and band history. As well as a tribute to late **BEDLAM** guitarist Stephen Gawryluk! A Must have for anyone who likes early 80's hardcore. Of coarse a must have for any collector!
