DESSIDERIUM is the musical diary of Alex Haddad, founded in Southern California, and remaining active in the Sonoran Desert. By its third release, *Shadow Burn*, **DESSIDERIUM** had well established itself as an authentic presence in the underground metal scene, offering its blend of hyper-melodic, complex music, paired with a haunting sense of vulnerability through lyrical themes. With an ever-expanding body of work, and plans for a live-performing lineup, the year 2022 marks the true beginning for **DESSIDERIUM**.

NOCOMPLY

East Coast Powerviolence LP

Street Date: January 14, 2022

ARTIST HOMETOWN: St. Augustine, FL

KEY MARKETS: FL, Texas, California

FOR FANS OF: SPAZZ, INFEST, NO COMMENT, PALATKA, ASSHOLEPARADE

NOCOMPLY has been a facet in the Florida DIY scene for over two decades now and this is the first slab of vinyl to compile all the hard-hitting songs from the 1990's to the 2000's. The brainchild of Justin Abare, the band has gone through many permutations and shared the stage with their contemporaries like **ASSHOLEPARADE**, **PALATKA**, **THE END OF THE CENTURY PARTY** and many more. This blasting heartfelt, and urgent release collects splits with **EXHUMED**, **GODSTOMPER**, **CHRIST MESS**, **CAPITALIST CASUALTIES**, and **SUPPRESSION** and features some crisp sounding demo tracks to give you an entire set of songs from the band's birth. These songs really rip you back to busting out kicker ramps, slapping graf, doing nose blunts after hours at office parks, and all the grief and anguish of growing up in such a stagnant world. Over forty tracks and almost maxing out the useable length and decibel levels of an LP, this will give you more than forty-five minutes of truck-clacking good tunes.

MARKETING POINTS:

- Full discography of a well known band
- Co-release with 625 Thrashcore
- Ton of material to listen to
