## Trauma, 2xCD

**Street Date: February 11, 2022**

**ARTIST HOMETOWN:** St. Louis, MO  
**KEY MARKETS:** Worldwide Metal Community  
**FOR FANS OF:** ANACRUSIS

Having been the core visionary of legendarily distinctive progressive metal outfit Anacrusis, **KENN NARDI** needs no introduction. Throughout 2021, a sudden burst of inspiration during the peculiar times of this pandemic age led Kenn to an outpouring of new solo material, ultimately resulting in the long-awaited follow-up to his massive 2014 double-album, *Dancing With the Past* (which received accolades from an array of international outlets—more than one citing it album of the year).

Titled simply *Trauma*, the 75-minute outing continues to explore the wide-ranging emotional and textured niche of thought-provoking metal for which only **KENN NARDI** could be responsible. Arguably even more Anacrusis-like than its predecessor, *Trauma*'s 13 tracks are certain to find longtime fans of **KENN NARDI**'s work enraptured at every turn—from the churning, dissonant surges of opener “Clarion Call”; to the subtle orchestration and melodic hooks of “A Reckoning”; or the dramatic contrasts of 11-minute finale, “The Orphan.”

With artwork once more delivered by Eliran Kantor, the first 1,000 copies of *Trauma* will additionally include an exclusive six-song bonus disc containing two new studio cuts plus four reinterpretations of Anacrusis classics. In keeping with **KENN NARDI** 's recent influx of creativity and excitement, *Trauma* has been fast-tracked for an early-2022 release!

### MARKETING POINTS:

- 10/10 Rock Hard (Germany)
- Follow-up to his critically acclaimed *Dancing with the Past* debut solo album
- Second disc includes 2 bonus studio tracks, plus 4 re-imagined version of later Anacrusis classics
- Limited Edition 2xCD version (first pressing only)
