# REALIZE

## Two Human Minutes, LP

**Street Date: October 11, 2023**

**ARTIST HOMETOWN:** Tuscon, AZ

**KEY MARKETS:** California, AZ, New York

**FOR FANS OF:** **GODFLESH, NAILBOMB, MINISTRY, PITCHSHIFTER, AUTHOR & PUNISHER**

**REALIZE** came gasping into the world seven years ago, crawling through the muck and filth to sew together pounding drum machine chortles with down-tuned bass, dissonant guitars, interweaving synth electronics and noise throughout. The result is a guitar heavy industrial maze for your mind. This is the Arizonan quartet's third offering and is a worthy release after their sophomore release '*Machine Violence*' on Relapse Records. Heavily inspired by **NAILBOMB**, **GODFLESH**, and **PITCHSHIFTER** they also bring their own experiences from **SEX PRISONER**, **LANGUISH**, and **DESERT DRONE** to bring an exciting mélange of industrial, sludge, and a tinge of hardcore punk to create an exciting and memorable release.

### MARKETING POINTS:

- Previous release was on Relapse Records, people will probably instantly grab this and be excited that they have a new record
- Members are in both **SEX PRISONER** and **LANGUISH**, **LANGUISH** is on Prosthetic Records
- Band has a near spot on **GODFLESH** sounds so industrial and goth fans will enjoy this as well as sludge metal and doom metal fans

# PIG CITY

## Self Titled, CD

Street Date: October 13, 2023

**ARTIST HOMETOWN:** Phoenix, AZ

**KEY MARKETS:** California, Arizona, New York, Texas, Germany

**FOR FANS OF:** ACXDC, MAGNUM FORCE, KIDNAPPED, WORN, WARTHOG, BIB

Four years have gone by since the release of their freshman LP *Terminal Decline*. A lot has happened in the world and **PIG CITY** has evolved into a mutant boar to adapt to the times. Big heavily distorted songs oozing with spit, tobacco, and vitriol. The queer agenda is here and is **PISSED**. Big full color cover by Laura Westover but don't be tricked by the all the bold colors, this is as pissed as any black and white saturated d-beat album, but obviously with way more blastbeats. Come, sit down, listen at full volume, and feel the weight of the world on your shoulders.

### MARKETING POINTS:

- Hugely colorful cover by artist Laura Westover
- Second LP by well selling band
- LGBTQIA+ friendly and supporting band
- Band had split with popular band **ACxDC**

### ALSO AVAILABLE FROM ILD:
