FOR FANS OF: **PAINT IT BLACK, PUNCH, NEGATIVE APPROACH, INFEST**

DRY SOCKET emerging from Stumptown with their debut LP featuring ten furious tracks laden with blast beats and downtrodden ethos. Chaotic, angular, and angry, the band is back after two blazing EPs and five years of perfecting their sound. If you like **PAINT IT BLACK, PUNCH, or NEGATIVE APPROACH** then you won't be disappointed. One really dystopian release that mirrors the bleak wintertime in the PNW.

MARKETING POINTS:

- Full color cover
- Band has been touring extensively
- High quality hardcore punk
