ARTIST HOMETOWN: Winston-Salem, NC

KEY MARKETS: NC, GA, SC, FL, NY, TX

FOR FANS OF: **HOPESFALL, PRAYER FOR CLEANSING, UNDYING, POISON THE WELL, THURSDAY, MEWITHOUTYOU, DEFTONES**

For the very first time ever on vinyl, we proudly present **CODESEVEN's** epic 1999 hardcore album *Division Of Labor*. Hailing from Winston-Salem NC, **CODESEVEN** embodies DIY ethics and sound of the late 90's metalcore/emotional hardcore revival. Rubbing elbows with contemporaries at the time like **PRAYER FOR CLEANSING, CATHRARSIS, ZEGOTA, HOPESFALL**, and **UNDYING**, the band cut their own niche in the scene. Sporting two singers and a homegrown light show of triggered lights in TV sets during this era, seeing the band was a jaw-dropping experience, and this album is the pinnacle of the sound of their hardcore years. Fully remixed from the original files by Kitchen Mastering and remastered by Nick Townsend/Infrasonic, we bring you a modernized version of the classic CD as released by The Music Cartel. Although honing a different sound than them, this album and **PRAYER FOR CLEANSING's** *The Rain In Endless Fall* will forever be two of the most memorable albums from this era. **CODESEVEN** continues to create amazing music and is a pleasure to see evolve, but this is the go-to album for a band spilling over with vitriol and as a limited vinyl release, this is a must pick up.

MARKETING POINTS:

- 25th anniversary of the album, first time ever on vinyl
- Band has new release on Equal Vision Records
- Highly sought after early work when the band was hardcore
- Played with popular metalcore contemporaries like **PRAYER FOR CLEANSING** and **UNDYING**
- This album has a rare **DEFTONES** sound to it
