DR FRANK, *Show Business is My Life* originally released in 1999 on Lookout! Records, marked a significant departure from his previous work with the **MR T EXPERIENCE**. This album emphasizes folk and acoustic elements while drawing on **DR FRANK'S** classic songwriting skills, showcasing his uniquely sardonic wit. Often hailed as the Cole Porter of punk rock for his ability to weave witty, charming, and incisive commentary on life and love, **DR FRANK** has cultivated a devoted cult following not only as the lead singer of the **MR T EXPERIENCE** but also as a solo artist and novelist.

The album was initially recorded by Kevin Army, whose credits include an array of bands such as **GREEN DAY, OPERATION IVY, DANCE HALL CRASHERS, SWEET BABY**, and many others. *Show Business is My Life* has been lovingly remastered by Justin Perkins of Mystery Room Mastering, featuring reimagined artwork by Chris Appelgren from Lookout! Records.

This album is an essential addition for fans of **DR FRANK** and his extensive work with the **MR T EXPERIENCE**.
