Beer City is stoked to bring you **Defy!** The newest full length from long standing Denver, CO crossover legends **CLUSTERFUX!**

CLUSTERFUX has been going strong since 1995. This is by far their best full length yet. It contains 14 songs of their potent blend of hardcore/punk and thrash metal that hearkens back to the crossover glory days of the 1980s. With relentless energy and raw sound keep them firmly rooted in the present.

CLUSTERFUX has shared the stage with and drawn inspiration from bands like **D.R.I. , Beat the Bastard era EXPLOITED, FINAL CONFLICT, THE ACCUSED, AGNOSTIC FRONT, NAPALM DEATH** and **SUBHUMANS**. Straddling the worlds of punk and metal, they have carved out a niche that appeals to both crowds.

In the Beer City tradition of not cutting corners, this album was recorded, mixed and mastered in MN by the legendary Adam Tucker at Signaturetone Studios. With album art and layout by Carl Steinhagen!

At the end of the day, mohawk-wearing punks and battle-denim-donning thrashers agree that **CLUSTERFUX - Defy** is paramount!
