Rediscover **MR. T EXPERIENCE** *Miracle of Shame* EP, originally released in 2000 during a transitional period for the band. Following the departure of long-time bassist Joel Reader, the band continued to evolve with producer Kevin Army, maintaining their indie rock essence. This remastered edition, expertly revived by Justin Perkins of Mystery Room Mastering and featuring refreshed artwork by Chris Appelgren, brings back the classic tracks that, as noted by All Music's MacKenzie Wilson, "echo the vibes of Pavement's Stephen Malkmus and Sebadoh's Lou Barlow. Highlights include the purist "Leave the Thinking to the Smart People," the jaunty "Stephanies of the World Unite," and the wry tribute "Mr. Ramones." Laid-back and free-spirited, *Miracle of Shame* is a timeless gem of indie rock.

FOR FANS OF: **MR T EXPERIENCE, GREEN DAY,  
THE AVENGERS, SCREECHING WEASEL,  
FATAL FLAW**

**THE PLUS ONES'**, *On the List* was originally conceived as a side project by Joel Reader of **MR. T EXPERIENCE**, bringing together Dan Panic of **SCREECHING WEASEL** and Scotty Hay of **THE RECEIVERS**. Their fun and infectious power pop drops punk pretense and just rocks. As ALL MUSIC stated, "There's a simple texture of innocent punk you could introduce to your mother. As playful as these guys make themselves out to be, **PLUS ONES** are equally catchy and fun-filled."

This reissue of *On the List* expands the EP into an LP, offering six unreleased tracks that were originally intended for a full album. This reissue creates a new and exciting vision of the project and is a must-have for fans of late '90s pop and power pop.

### MARKETING POINTS:

- **THE PLUS ONES** feature members of **Screeching Weasel, Mr. T Experience, The Avengers, and Pansy Division**.
- *On The List* was originally released as an EP on Coldfront; reissue features expanded content from the LP originally conceived for the project.

- ILD exclusive on sky blue vinyl.
