A repress of the 2005 vinyl LP from the American power violence band **LACK OF INTEREST**. 19 hardcore anthems of authentic hostility, self disgust, torment and suffering dispatched in less than time than it take to remove an engine from a 68 VW Bug. 16 of these tracks clock in at less than minute, proving that **LACK OF INTEREST** don't have time to waste. They've cut out the fat and the bone that most bands rely on. The meat is all you're left with to cleanse your dirty ear holes. This album destroys with horsepower and voltage not unlike being confined to an ejection seat with no parachute. This is the band and this is the album that you can cram down the gullet of the guy wearing a designer "punk is dead" shirt.

FOR FANS OF: **INFEST, TO THE POINT, EXTORTION, HUMAN, -FRACTURED-, NEANDERTHAL, WEEKEND NACHOS, CAPITALIST CASUALTIES, SPAZZ.**

A repress of the 1999 vinyl LP. Debut album from the American powerviolence band **LACK OF INTEREST**. 24 tracks of pure hatred, self loathing, and misery delivered in less than time than it takes to microwave a decent frozen meal.

Features updated artwork/layout, and offered on multicolored splattered vinyl. Strongly reminiscent of early eighties hate core legends like **NEGATIVE FX** and **NEGATIVE APPROACH**. They have the same intensity, rawness, anger and the classic vibe.

Trapped Inside features newly recorded songs that span most of the band's career including their calling card "My Life" which is THE thrash anthem of the nineties. There are 24 tracks on this puppy and a good half of them run less than thirty seconds (only three of them break the one minute barrier) consequently this album kills with a speed and power not unlike being strapped into an electric chair. This is the band and album that you can cram down the throat of the next jaded old fart who tries to tell you that "punk is dead".
