URBN DK

Mass Grave - Version 1, 7"

STREET DATE: JULY 10, 2026

ARTIST: **URBN DK**

TITLE: *Mass Grave - Version 1*

LABEL: Beer City

CAT#: BCR253-7

FORMAT: 7"

GENRE: Killed by Death punk

MASTER BOX LOT: na

INDIVIDUAL BOX LOT: na

SRLP: \$14.98

UPC: 650557025379

EXPORT: No Restrictions

TRACK LIST:

1A Mass Grave

2A World Trade

1B World Gone Crazy

2B Future Primitive

ARTIST HOMETOWN: Zion , IL / Kenosha , WI

KEY MARKETS: Chicago,IL, NY, NY , Austin, TX , Los Angeles, CA

FOR FANS OF: **THE CONTROLLERS , THE EAT ,
THE MENTALLY ILL , THE SCREAMERS**

Beer city is stoked to reissue this long out of print rare sought after 'killed by death punk' classic originally released in 1982!

This is the first release by midwest 'killed by death' punk band **URBN DK**. It originally came out in 1982 and only 200 copies were pressed. It's rare and hard to find and if you can find a copy it cost a lot of money and is highly sought after by collectors.

This reissue has been restored and remastered so not only will it sound better then ever and be louder to. Included is liner notes by founding member bob dk. Pictures from back in the day and for the first time lyrics. The packaging for this is also top notch. The cover/sleeve is actually gatefold style that then opens up so its a 4 panels (8 with both sides)!

Only 500 of these have been pressed on black vinyl and when its gone its gone!

URBN DK formed in 1980. Bob had recently returned from sf , california were he lived for a while and played in a band called **THE ANTIBODIES**. When he moved back to the midwest he started looking for people to form a band with and shortly latter **URBN DK** was formed. This first lineup and iteration of the band would last for about 3 years. Not many years latter a new lineup would form and the band would continue till the late 90's with Bob always remaining the sole founding member.

MARKETING POINTS:

- Full publicity campaign including print , online and radio
- Print ads in various magazines
- includes marketing sticker on the cover
- The original is rare and goes for big \$'s

ALSO AVAILABLE FROM ILD:

ARTIST HOMETOWN: Zion , IL / Kenosha , WI

KEY MARKETS: Chicago,IL, NY, NY , Austin, TX , Los Angeles, CA

FOR FANS OF: **THE CONTROLLERS , THE EAT ,
THE MENTALLY ILL , THE SCREAMERS**

Beer City is stoked to reissue this very rare version of this long out of print sought after 'Killed by Death Punk' classic originally released in 1982! This time with a rare cover and never before seen back cover!

This is the second version of the first release by midwest 'Killed by Death' punk band **URBN DK**. It originally came out in 1982 and only a few dozen were pressed with this cover. The back cover is the first concept art that was never used and is completely different! In fact the layout for the inside of this versions differs from the first version. It was laid out to reflect the look of the back cover. Just like the first version this version also has a gatefold style cover/sleeve that then opens up so its a 4 panels (8 with both sides)!

This reissue has been restored and remastered so not only will it sound better then ever and be louder to. Included is liner notes by founding member Bob DK. Pictures from back in the day and for the first time lyrics.

Only 500 of these have been pressed on black vinyl and when its gone its gone!

URBN DK formed in 1980. Bob had recently returned from SF , California where he lived for a while and played in a band called **THE ANTIBODIES**. ARTIST HOMETOWN: Los Angeles CA & Melbourne, Australia

KEY MARKETS: Los Angeles, New York, Maryland, San Francisco,
Europe, Japan, Germany, Australia

FOR FANS OF: **LACK OF INTEREST, EXTORTION, TO THE
POINT, CAPITALIST CASUALTIES, SPAZZ**

Ripping hardcore thrash featuring members of **EXTORTION, LACK OF INTEREST, & SPAZZ, (DIS)GRACE** an old school sounding record that incites and decimates with 9 songs in as many minutes.

The reassurance of Power Violence has brought these respective band members together to create a time portal of thrash induced hardcore that won't recreate the wheel, but instead, maintains the crushing velocity of what birthed the movement in the first place.

For all you record collectors The first pressing of this album comes on these limited colors!

Limited to 300 on Neon Pink/Black Splatter With an Etching on Side B
Featuring artwork by Rohan / singer of Human / Extortion / Burn The Hostages.

MARKETING POINTS:

- Limited Edition Pink / Black Splatter (300)
- Features original cover artwork by the **EXTORTION** vocalist Rohan Harrison
- Features a secret Black Flag cover Song
- Features original Etching artwork by the **EXTORTION** vocalist Rohan Harrison

ARTIST HOMETOWN: Los Angeles CA

KEY MARKETS: Los Angeles, New York, Maryland, San Francisco,
Europe, Japan, Germany, Australia

FOR FANS OF: **LACK OF INTEREST, ESCUELA GRIND, CAVE STATE,
SUPPRESSION, IRON LUNG**

20 international bands covering **MAN IS THE BASTARD**. Featured bands are: **MORIBUND PUNISHMENT, STARING CONTEST, SLIGHT SLAPPERS (FROM JAPAN), -FRACTURED -, TASER, TRANSIENT, SUPPRESSION, CAVE, LACK OF INTEREST, TRIAC, COMPLETED EXPOSITION, ESCUELA GRIND, PSYCH OUT, MÜRMÜR, DYSMORFIC, IRON LUNG, HEALER, UGLY, LIFE'S TORMENT, CHRISTIAN LOVERS.**

In 1997 **MAN IS THE BASTARD** fell to its' demise due to tragic circumstances. Honoring the pioneering spirit of **MITB** this long, long awaited album of sound and inhuman vision has finally come to the light. Carefully orchestrated by an array of Internationally known and unknown bands, this LP is (s)layered to massive perfection, with the most progressively savage and brutally tasteful covers from this highly influential band.

This release WILL NOT disappoint !!! Production is vast, complex and thorough in the finest of details and again performed by expert producer Michael Rozon ("THE RED LIST", "A CULTURE OF MONSTERS", "SKULLDOZER" and "THE PROGRESSION OF SICKNESS") *In Gratitude of MITB* is as beautiful as it is crushing to those that bear witness to the skull's expression and philosophy.

MARKETING POINTS:

- Limited to 300 on LIMITED edition Of 300 ON NEON GREEN WAX.
- Limited to 300 on LIMITED edition Of 300 ON NEON ORANGE WAX.

Cautionary Tale
52 Card Pickup
Los Cardinals
Glass Worms
All My Circuits
Body Broker
Alone At Last
Built For Speed
Half Of Me
Wildcat House
Trapped In My World
Feelin' Low Down

ARTIST HOMETOWN: Tuscon, AZ

KEY MARKETS: Arizona, California, Washington, New York, Florida, Texas

FOR FANS OF: **ACXDC, MAGNUM FORCE, CROWBAR, HAYMAKER, INFEST, CROSSED OUT**

With *Cautionary Tale*, **SEX PRISONER** return with their second full-length ever and their first new full-length in years - a record that takes everything the band has ever been known for and pushes it into even uglier, faster, and more punishing territory. Across sixteen tracks, the band delivers a barrage of whiplash tempos, blast-beat violence, and concrete-thick riffs that hit with the precision of a pulling out a switchblade in the middle of a dirty street fight.

Where past releases cemented **SEX PRISONER** as one of the most vicious modern powerviolence bands, *Cautionary Tale* raises the stakes. The songs are sharper, meaner, and even more unrelenting, each one cut down to its most essential, high-impact form. The band wastes no space, every second feels like it could collapse a room or snap a foundation beam.

Thematically, *Cautionary Tale* reflects the album's title: hostile, reflective, and grounded in the ugly decisions and darker lessons that shape a person. The vocals spit blunt-force frustration, the guitars carve out harsh, abrasive textures, and the rhythm section stays locked in with a relentless, breathless urgency. This is powerviolence as it should be: fast, furious, filthy, and completely intolerant of restraint.

A full-length built for repeat punishment. Sixteen tracks, zero forgiveness.

MARKETING POINTS:

- A long-awaited full-length, and epic follow up to *Tannhauser Gate*
- All formats have metallic silver spot color
- Semi-secret release, you're probably hearing about this before the general public here - the band wanted a big announcement followed by it being immediately available so people will hopefully run to the stores to grab a copy.
- CD: The complete *Cautionary Tale* experience in one compact, crush-proof format.
- LP: A heavyweight vinyl edition built to physically match the record's intensity.

SPY

Two Things At Once, CD

STREET DATE: JULY 10, 2026

ARTIST: **SPY**

TITLE: *Two Things At Once*

LABEL: To Live A Lie

CAT#: TLAL295-2

FORMAT: CD

GENRE: Hardcore punk

MASTER BOX LOT: 2

INDIVIDUAL BOX LOT: 100

SRLP: \$11.98

UPC: 33198302952

EXPORT: No Restrictions

TRACK LIST:

Violent Majority
Running Out Of Space
Bootlicker
Service Weapon
Afraid Of Everything
Obtained Under Duress
Exceptional American
Habitual Offender
Labor Dispute
Negative Mind Power

ARTIST HOMETOWN: San Fransico, CA

KEY MARKETS: California, New York, Maryland, Pennsylvania

FOR FANS OF: **GEL, SCOWL, WORLD OF PLEASURE, ZULU, INGROWN**

The Bay Area has a long history of producing hardcore bands that don't just make stomping angry music - they make impact. **SPY** is one of the newest and fiercest additions to that lineage. In just a few short releases, the band carved out a reputation for explosive brevity, serrated riffs, and an intensity that feels rooted in political disdain and nihilism.

Two Things At Once brings together **SPY**'s first two EPs, *Service Weapon* and *Habitual Offender*, on a single disc for the first time, presenting the full picture of the band's early formation and the rapid refinement of their sound.

Originally released in 2020, *Service Weapon* announced **SPY** with the subtlety of a flashbang. These tracks hit fast, hard, and hostile, distilling the urgency of early 2000s hardcore with a distinctly contemporary edge. The band wastes no time; each song is a tightly packed charge of raw speed, precision drumming, and venomous vocal delivery that built immediate momentum for their ascent.

Habitual Offender followed swiftly in 2021, sharpening every weapon in the band's arsenal. The riffs got meaner, the production hit heavier, and the songwriting expanded without losing the band's trademark ferocity. **SPY** stepped confidently into a larger sonic space - one filled with groove, bite, and a newfound sense of command. If the first EP was a warning shot, this one was the breach.

Presented together, these two releases trace **SPY**'s evolution from promising disruptors to one of the most vital acts in modern hardcore. *Two Things At Once* is both a document of the band's origins and a testament to how quickly they pushed the limits of their sound.

TLDR: Pure immediacy. Zero filler. Two essential releases. One brutal document.

MARKETING POINTS:

- Both early **SPY** EPs on one disc - the definitive document of their breakout era.
- The essential introduction for new fans and a must-own for collectors.
- Fast, hostile, and immediate. **SPY** at their rawest and most explosive.
- A cornerstone release from one of hardcore's most talked-about new bands.
- No filler, no downtime. Two EPs of nonstop, high-velocity aggression.
- Noticeable **DESCENDENTS** collection CD rip-off style
