PIG CITY return with their third full-length- an eight-song, self-titled statement that captures the band at their most sharpened, punishing, and deliberate. With each record, **PIG CITY** has carved deeper into their blend of hostile hardcore, bleak atmosphere, and desert-burnt heaviness, and this LP stands as the purest distillation of their sound to date. The songs lunge forward with tightly wound aggression, each track built on crushing riffs, blistering blast beats, caustic vocals, and a suffocating sense of momentum that never lets up.

This self-titled LP is a declaration: **PIG CITY** knows exactly who they are, and they've never sounded more confident, more volatile, or more locked in. From the opening moments to the last strike, the record is lean, cohesive, and unrelenting- an evolution rooted in the band's past but delivered with the force of a new beginning.

Pressed in a strictly limited run of 300 copies, this release is both a milestone and a collector's piece - an essential chapter for longtime followers and a perfect entry point for new listeners discovering **PIG CITY**'s uniquely crushing world.
